# DRESS CODE

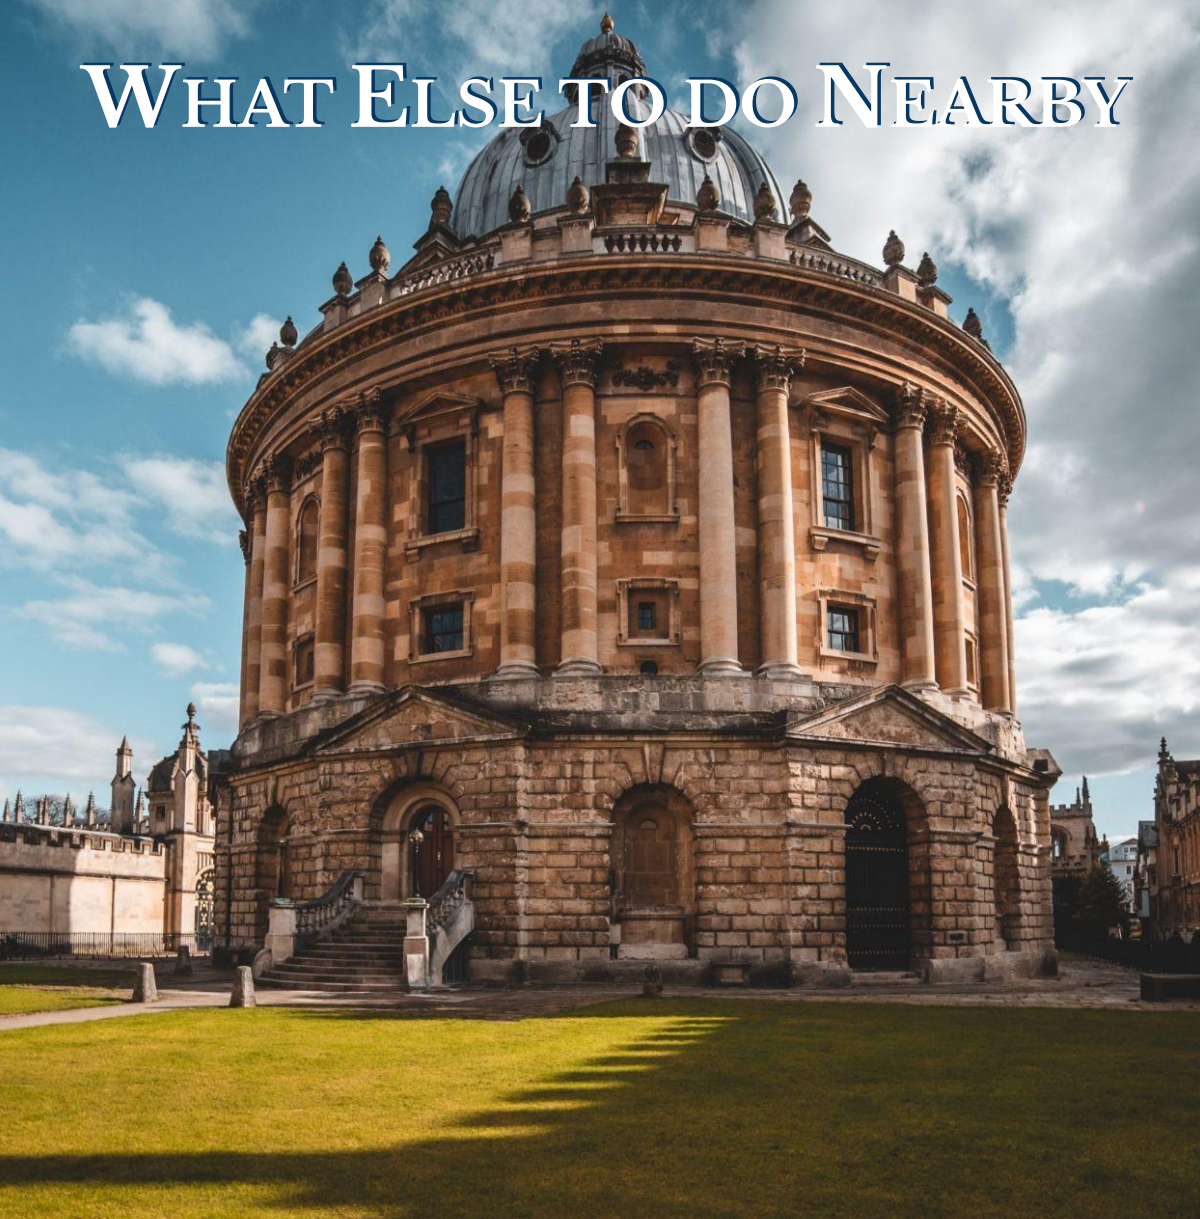

The dress code is somewhere between semi-formal and formal, although we will welcome anything you feel comfortable in.

If you need some inspiration, our colour scheme is down below and we are embracing natural colours and patterns, especially flowers.

# WHAT ELSE TO DO NEARBY

Oxford is a 20 minute drive from the venue. The Redbridge Park and Ride is the closest option for parking.

The Westgate is a great place for shopping or restaurants. Always book restaurants in advance!

If history is more your thing, then try some of the free museums: The Ashmolean, The History of Science Museum and the Museum of Natural History.

If you fancy a mixture of both, then Blackwell's bookshop is almost 150 years old and has almost every book you can think of!

Oxford also has many famous pubs to try like The Chequers or Turf Tavern.

If you don't fancy travelling far, The Pack Horse is just around the corner from the hotel.

# HONEYMOON

We're getting the train to Austria via Paris and staying in Zell am See for one and a half weeks.

We'll be staying in Sportresort Alpenblick, eating good food and trying to hike Schmittenhöhe.

After we get the train back to the UK we're spending half a week in London before coming back home to Oxford.

## WEDDING GIFTS

We don't have any expectation for a wedding present from anyone. If you would like to gift us something we would prefer a contribution towards our honeymoon.

We've set up a gift link, which is easiest but takes a cut: <https://www.collectionpot.com/pot/3068886>

We'd be happy with cash or a bank transfer too!
